

REMARKS

Claims 1-37 and 45-47 are cancelled. Claims 48-55 are added. Claims 38-44 and 48-55 are in the application.

This application is filed to correct presentation errors noted in the claims as last presented. Specifically, that last set of claims was not consistent with the amendment signed and filed by the undersigned on 3/7/03. The claims as herein presented are now believed to be consistent with the 3/7/03 amendment that was entered by the Examiner and upon which the Notice Of Allowance was based. This continuation application is further submitted in an abundance of caution to submit art of which the undersigned just became aware. The claims are believed allowable over such art. A petition to withdraw the immediate parent application from issue has been filed, along with an express abandonment of the immediate parent.

This application is believed to be in immediate condition for allowance, and action to that end is requested.

Respectfully submitted,

Dated: 12-5-03
